The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

AGREEMENT AND QUITCLAIM OF RIGHT, TITLE, AND INTEREST IN REAL PROPERTY AT FIRST STREET AND BROADWAY IN THE CITY OF LOS ANGELES (FIRST DISTRICT) (3-VOTES)

SUBJECT

The recommended actions involve the relinquishment of joint ownership and participatory interests between the State of California (State), County of Los Angeles (County), and the City of Los Angeles (City) in the 4.65 acres of real property at the northeast corner of First Street and Broadway located in the City for the primary purpose of effectuating the County's sole ownership in a 2.69-acre portion to be developed as a part of an expanded Civic Park.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Chair to execute the agreement by and between the State of California, County of Los Angeles, and City of Los Angeles regarding the disposition of property interests at First Street and Broadway in the City of Los Angeles.
2. Approve the quitclaim of the County's right, title, and interest to an undivided one-half interest in the former State office building property to the State of California and instruct the Chair to sign the quitclaim deed.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Approval of the attached agreement by and between the State, County and City will formally terminate the 1986 Agreement, as amended, for joint office and commercial development through a private developer of 4.65 acres of real property located at the northeast corner of First Street and Broadway currently owned by the State and the County as tenants in common and provides for each of the parties to relinquish and quitclaim to each other their right, title, and interest so that:

- The State will reclaim sole ownership of the vacant 1.96-acre former State office building site;
- The County will reclaim sole ownership of the 2.69-acre surface parking lot, known as County Parking Lot 11, as a prerequisite for inclusion in the Grand Avenue Project which will develop this property along with the existing County Mall into a 16-acre Civic Park running between Grand Avenue at the Music Center to Spring Street at the City Hall; and
- The City will relinquish its 7 percent interest as a participating agency by virtue of its reversionary interest in the former State office building site in return for other property interests acquired from the State in June 2006 under a separate property exchange agreement between these parties.

Previous plans for office and commercial development of the subject property under a 1990 ground lease between the State and the County with Sico Broadway Developers (SICO), pursuant to the 1986 Agreement, as amended, never materialized. This ground lease was terminated in 1997, and SICO concurrently quitclaimed all of its interest in the subject property back to the State and the County.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The proposed recommendations are in furtherance of development of a much-needed Civic Park and are consistent with County Strategic Plan Goal 1 (Service Excellence) and Goal 6 (Community Service).

FISCAL IMPACT/FINANCING

The surface parking lot, through June 30, 2008, produced \$930,375 in annual revenue which is allocated, under the 1986 Agreement, to the City (7 percent - \$65,126), State (46 percent - \$427,973), and County (47 percent - \$437,276). After the State, County, and City relinquish their respective interests, the allocation of parking revenues will change so that the State will receive 30 percent and the County will receive 70 percent until such time that the County terminates the surface parking use and proceeds with the development of the Civic Park. Under the agreement, the County will open an escrow at Chicago Title Company. Upon the deposit of all of the fully executed quitclaim deeds, escrow will close and the escrow holder will record the deeds. The County will pay all escrow fees and costs, estimated at \$1,900, from the parking revenues for the last full month prior to the close of escrow and then make a last and final allocation of remaining revenue to the City, State, and County under the 1986 Agreement.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On February 13, 2007, your Board authorized this office to negotiate an agreement with the State and the City to convey their interest in the surface parking lot property back to the County to restore its sole ownership and control over this property for its inclusion as a part of an expanded Civic Park to be developed in Phase I of the Grand Avenue Project in return for the County relinquishing its one-half interest in the former State building site back to the State. The attached agreement and quitclaim deeds, which have been agreed to by all the parties, will accomplish this mutual relinquishment of property interests between the State and the County as well as the relinquishment of the City's participatory interest.

In order to effectuate this transfer of property interests, each party will approve and execute the attached agreement and respective quitclaim deeds, beginning with the City, then the County, and finally the State. Upon full execution of the agreement, which will serve as escrow instructions, the County will open an escrow with Chicago Title Company, and the parties will deposit their executed quitclaim deeds together with certificates of acceptance. Upon receipt of all fully executed deeds, escrow will close and the deeds will be recorded.

On July 29, 2008, the Los Angeles City Council approved and the Mayor subsequently executed the attached agreement and two quitclaim deeds in favor of the County and the State (Exhibits D and G in the agreement) thereby relinquishing all of the City's right, title, and interest in both the former State office building site and in the surface parking lot property (County Parking Lot 11). As the next step, your Board's approval and execution of the attached agreement and quitclaim deed in favor of the State will transfer the County's undivided one-half interest in the 1.96-acre former State office building site back to the State, thereby restoring its sole ownership of this property.

After your Board's approval and execution, the agreement will be forwarded to the State General Services Department for approval and execution along with a quitclaim deed in favor of the County (Exhibit F in the agreement), whereby the State will relinquish its one-half interest in the 2.69-acre surface parking lot property subject to a reversionary interest and right of reentry by the State over the southerly 112 feet (.82 acre), which originally had been State property it conveyed to the County in 1980 subject to a deed restriction that it be used for development of Phase III of the County Mall. The State's quitclaim to the County restores this reversionary interest and right of reentry with the restriction that the property be used for public park and other public purposes.

Each party will deposit its executed quitclaim deeds into an escrow established at Chicago Title Company. When all fully executed quitclaim deeds have been deposited, escrow will close and the deeds will be recorded. Thereupon, the allocation of parking revenues received from the County's surface parking lot will be changed, so that the State will receive 30 percent and the County will receive 70 percent until such time that the County terminates the surface parking and proceeds with development of the Civic Park through the Grand Avenue Project.

ENVIRONMENTAL DOCUMENTATION

On February 13, 2007, acting as a responsible agency under the California Environmental Quality Act (CEQA), your Board certified that it had independently reviewed and considered the Final Environmental Impact Report (FEIR) prepared and certified by the Grand Avenue Authority as lead agency for the Grand Avenue Project, and adopted by reference, the findings made by the Authority, including those relating to the mitigation monitoring program, and those contained in the Environmental Findings of Fact and Statement of Overriding Considerations, when it approved various actions relative to the phased development of the Grand Avenue Project, including authorizing the CEO to negotiate the agreement that is the subject of this recommendation. The recommended action is within the scope of the project in the previously certified EIR.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended actions contemplate the termination of surface parking on County Parking Lot 11 and the inclusion of this property along with the existing County Mall to be developed into an expanded 16-acre Civic Park to serve the downtown and Civic Center area.

CONCLUSION

It is requested that the Executive Officer of the Board of Supervisors return the original executed agreement in duplicate and the original executed quitclaim deed, two certified copies of the Minute Order, and two conformed copies of the adopted Board letter to the Chief Executive Office for further processing.

Respectfully submitted,

WILLIAM T FUJIOKA

**AGREEMENT BY AND BETWEEN THE STATE OF CALIFORNIA,
COUNTY OF LOS ANGELES AND CITY OF LOS ANGELES
REGARDING THE DISPOSITION OF PROPERTY INTERESTS AT
FIRST AND BROADWAY IN THE CITY OF LOS ANGELES**

THIS AGREEMENT is made and entered into as of OCTOBER 7, 2008, by and between the State of California, acting by and through the Department of General Services (the "State"), the County of Los Angeles, a body corporate and politic (the "County"), and the City of Los Angeles, a municipal corporation (the "City"). Collectively, these three agencies are referred to as the "Participating Agencies."

RECITALS

This Agreement is made with respect to the following facts and the following purposes:

1. The property located south of the Los Angeles County Criminal Courts Building ("Criminal Courts Building") and bounded by First Street, North Broadway and Spring Street (the "Site") is composed of parcels jointly held by the State and the County pursuant to an agreement dated March 18, 1986, as amended (hereinafter, the "1986 Agreement"), entered into by and between the State, County and City for the purposes of the construction of commercial office space, underground parking, and completion of Phase III of the Los Angeles Civic Center Mall (also known as "El Paseo de Los Pobladores del Los Angeles").
2. Prior to the 1986 Agreement, said parcels were held separately by the County and the State, respectively, as delineated in Exhibit A, with the City claiming a reversionary interest in a portion of the property held by the State pursuant to that certain deed recorded January 19, 1938 in book 155580, page 51, Official Records of the County Recorder of Los Angeles County. A map of the Site is attached hereto as Exhibit A and incorporated herein by reference.
3. The parcel directly south of the Criminal Courts Building (the "County Parcel"), delineated on Exhibit A and more specifically described in Exhibit B, also attached, is not improved with buildings and is currently used for surface parking. A portion of the County parcel was conveyed to the County by the State (the "Reversionary Interest Portion"), pursuant to that certain deed, O.R. 80-1240729, recorded December 10, 1980 in the Official Records of the County Recorder of Los Angeles County, subject to the condition that the property conveyed would revert to the State if the property or any portion of it were used for a purpose inconsistent with Phase III of the Los Angeles Civic Center Mall.
4. The parcel directly north of First Street (the "State Parcel"), delineated on Exhibit A and more specifically described in Exhibit C, also attached, is the site of the basement structure and foundation for the former State Office Building (hereinafter, the "State Parcel").

76712

5. Pursuant to the 1986 Agreement, the County and the State were each record holder of an undivided fifty percent interest in the Site, and the Participating Agencies were to have the following percentage interest in the proceeds received from the Site: (1) State, 46 %; (2) County, 47%, and (3) City, 7%.

6. On May 4, 1990, the State and County, as landlord, entered into a ground lease of the Site with Sico Broadway Developers ("Sico"), as tenant for the purpose of development of the Site consistent with the 1986 Agreement.

7. On or about June 2, 1997, the State and County and Sico entered into a Termination of Ground Lease, and Sico quitclaimed its interest in the Site to the State and County, pursuant to that certain Quitclaim Deed recorded on June 5, 1997 in the Official Records of the County Recorder of Los Angeles County as Instrument No. 97-838534.

8. Pursuant to the terms of the 1986 Agreement, upon the termination of the ground lease, the 1986 Agreement was to terminate and the State and County were to execute quitclaim deeds to each of the City, County and State, transferring to each entity an undivided interest as tenants in common in the Site and the improvements thereon and any other non-cash assets equal to its percentage interest.

9. The Participating Agencies have not terminated the 1986 Agreement and no further quitclaim of property interests has occurred.

10. The Participating Agencies no longer desire to jointly develop the Site in the manner provided for in the 1986 Agreement, and no longer desire to hold the Site jointly as contemplated by the termination provisions of the 1986 Agreement.

11. The County and the City Community Redevelopment Agency have created a joint powers authority for the development of the Grand Avenue Project, which will include the improvement of the Civic Center Mall as a part of the commercial/residential development of certain parcels to the southwest of the Site on Grand Avenue.

12. The County desires to reclaim its sole ownership of the County Parcel, and relinquish its interest in the State Parcel, in order to incorporate the County Parcel in the Grand Avenue Project plans for improvement of the Civic Center Mall.

13. The City, pursuant to a Letter Agreement for Property Exchange dated July 31, 2002, with the State (the "Exchange Agreement"), has agreed to relinquish its seven percent reversionary interest in the State Parcel in return for other property interests, in accordance with the terms of the Exchange Agreement, and desires to relinquish any interest in the County Parcel so that the County Parcel may be included in the Grand Avenue Project.

14. The State desires to have the County and City relinquish their respective interests in the State Parcel, and to relinquish the State's interest in the County Parcel,

on the condition that the State be allowed to reserve the right to reenter the Reversionary Interest Portion of the County Parcel as provided for in this Agreement.

AGREEMENT

NOW THEREFORE, the Participating Agencies do hereby agree as follows:

1. Termination of 1986 Agreement

The Participating Agencies hereby agree and confirm that the 1986 Agreement is terminated, and the Participating Agencies are no longer bound by its obligations or entitled to any rights thereunder except as provided for below. Upon its execution by all parties, this Agreement shall govern the interests of the State, County and City in the Site and the County Parcel and State Parcel, except as expressly stated otherwise in this Agreement.

A. Upon the close of Escrow, as provided for below, the State shall receive thirty percent (30%), and the County shall receive seventy percent (70%) of parking revenues generated on the surface of the County Parcel until the County terminates the use of the County Parcel for surface parking and proceeds with the use of the County Parcel for the Grand Avenue project or other public purposes. Not later than thirty (30) days after the County notifies the State that the County has terminated the use of the County Parcel for surface parking the County shall provide a final accounting of the parking revenues from the County Parcel and shall remit to the State its respective share of such revenue. The State agrees that the continued use of the County Parcel for public parking purposes until the County proceeds with the Grand Avenue project is a public purpose and said continued use of the County Parcel for public parking purposes shall not entitle the State to reenter the Reversionary Interest Portion of the County Parcel pursuant to its right of reentry after execution, acceptance and recordation of the Quitclaim Deed set forth as Exhibit F hereto, (the "State Quitclaim Deed") as provided for below.

2. Transfer of Property Interests

A. In order to effectuate the transfer of the property interests contemplated by this Agreement, within fifteen (15) days of the effective date of this Agreement, the Participating Agencies shall do the following: (i) the County shall open an escrow ("Escrow") at Chicago Title Company ("Escrow Holder") and shall provide the Escrow Holder a fully executed copy of this Agreement which the parties agree shall serve as Escrow Instructions; (ii) the City shall quitclaim to the County any and all of its right, title and interest in the County Parcel by execution and delivery into Escrow of the Quitclaim Deed in the form attached hereto as Exhibit D; (iii) the County shall quitclaim to the State any and all of its right, title and interest in the State Parcel by execution and delivery into Escrow of the Quitclaim Deed in the form attached hereto as Exhibit E; (iv) the State shall quitclaim to the County any and all of its right, title and interest in the County Parcel, reserving unto itself a right of reentry in the Reversionary Interest

Portion of the County Parcel as provided in the State Quitclaim Deed, by execution and delivery into Escrow of the State Quitclaim Deed; and (v) the City shall quitclaim to the State any and all of in the form its rights, title and interest in the State Parcel by execution and delivery into Escrow of the Quitclaim Deed in the form attached hereto as Exhibit G. The express intention of the Participating Agencies in agreeing to this provision is to effectuate the sole ownership of the County Parcel in the County and the relinquishment of any County and/or City interest in the State Parcel, and to reserve to the State a right of reentry in the Reversionary Interest Portion of the County Parcel as provided in the State Quitclaim Deed.

B. Upon delivery of the executed Quitclaim Deeds into Escrow, the County and the State, respectively, shall also deposit into Escrow certificates of acceptance for the respective Quitclaim Deeds being received by them and when all deeds and certificates of acceptance have been deposited, the Escrow Holder is hereby directed to record said deeds and said easement. Escrow shall close no later than December 31, 2008.

C. The County shall pay all escrow fees and costs from the parking revenues for the last full month prior to the close of Escrow, before allocation of the Participating Agencies' percentage share of parking revenues provided for under the 1986 Agreement.

D. Section 4.3 of the Exchange Agreement required the City to convey its interest in the State Parcel at the earlier of approval of a State funded project on the State Property or five (5) years after Caltrans conveyed the exchange property to the City. The conveyance of the exchange property occurred on June 19, 2006. The intent of that section 4.3 was that the City was to continue to receive its share of the revenues from the 1986 Agreement for at least five (5) years after the Caltrans conveyance. This Agreement supercedes that portion of the Exchange Agreement and City is agreeable to quitclaiming its interest in the State Parcel. However, nothing herein shall affect the rights and obligations of the City and the State with respect to the State Parcel as set forth in section 4.3 of the Exchange Agreement related to the State's obligation to share sales proceeds with the City if the State sells the State Parcel, but such sale must occur by June 18, 2011 for the City to share in the sales proceeds.
